

Theo Chair

Designed specifically for churches and cathedrals by British designer Simon Pengelly, Theo is a lightweight, strong and durable wood framed high density stacking chair with a veneered plywood seat and back.

Theo has won numerous awards including the Church of England's 'Design a Church Chair' competition and has been recognised by the Worshipful Company of Furniture Makers as an outstanding lightweight stacking chair.

The Theo chair is complemented by a range of matching Theo products including tables and pews.

Theo Chair

Theo Chair

Stacking

Single trolley available allowing chairs to stack up to 30 high, taking up only 0.5sq. meters of floor space. Triple trolley available allowing 90 linked chairs to be stacked in less than 2sq. meters of floor space. Chairs can be stacked whilst linked, allowing for efficient movement and storage.

Strength

BS EN 15373:2007 Level 2, strength and stability tested. The Theo chair may be incredibly light in weight, but it is also extremely strong.
