

Theo M Chair

Designed by British designer Simon Pengelly, TheoM is a beautifully designed high density stacking church chair. Following on from the award winning wooden Theo chair, Theo M has an elegant chrome rod frame that allows the chair to be stacked even more efficiently.

The Theo M chair is complemented by a range of matching wooden Theo products including tables and pews.

Theo M Chair

Stacking

Single trolley available allowing chairs to stack 40 high, taking up only 0.5sq. meters of floor space.

Linking

The simple and easy-to-use brace-style linking system allows for quick and efficient changes to your seating arrangements.

Strength

BS EN 16139:2013 Level 2, strength and stability tested.

The Theo M chair may be light in weight, but it is also extremely strong, with a lifetime guarantee on the chrome plated solid steel frame.
